| **Professional Experience** | • Junior Software Engineer and IT Support<br>SCC-Media ∣ August 2021 – May 2023 (South Africa)<br>→ Mikrotik scripting<br>→ Integration with Vue Js and Jquery<br>→ Raspberry pi automation<br>→ Rest API with Node Js<br>→ IT support ( active directory , SharePoint, help-desk)<br>→ Devops (CI/CD with github Action , containerize app with Docker)<br>→ projects managements<br><br>• Junior Software software Engineer<br>Simbgroup Cameroon ∣2021 (January – August)<br>→ Web Design With Adobe XD<br>→ Integration with React Js<br>→ Projects Management<br>→ Devops<br><br>• Junior Software engineer<br>Mard Solution Cameroon  ∣ 2019 – 2020<br>→ Create RestApi with PHP<br>→ Front-end integration (html , css , js , jquery)<br>→ Prepared detailed reports<br>→ Database Design (MySql , PostgreSQL)<br>→ Teamwork |

| | |
|---|---|
| **Projects** | • Build and support system for customers ([https://git-sa.net/](https://git-sa.net/)) |
| | • Design and integrate website for Simbgroup and global finance([https://www.figma.com/file/LHLEyFgYWTq0xANJxhKy3E/Home?type=design&node-id=96%3A20&mode=design&t=4th4AB5VssK9IqMY-1](https://www.figma.com/file/LHLEyFgYWTq0xANJxhKy3E/Home?type=design&node-id=96%3A20&mode=design&t=4th4AB5VssK9IqMY-1) , [https://simbgroup.com](https://simbgroup.com) , [https://globalfinance-sa.net/](https://globalfinance-sa.net/)) |
| | • Design nodeJs RestApi ([https://github.com/THISmann/nodeJs](https://github.com/THISmann/nodeJs)) |
| | • Mikrotik remote control |
| | • Setup Active directory |
| | • Setup SIEM in Azure |
| | • Setup Lan with Mikrotik |
| | • design vitrine website for service company (project in progress, [https://www.figma.com/proto/esjXryy8GuqQJpEQCEIg7A/Genius.co?node-id=1-5&starting-point-node-id=1%3A5&mode=design&t=fYVHVAvvdUjLyk8K-1](https://www.figma.com/proto/esjXryy8GuqQJpEQCEIg7A/Genius.co?node-id=1-5&starting-point-node-id=1%3A5&mode=design&t=fYVHVAvvdUjLyk8K-1)) |
| | |
| **Technical Skills** | • Front-end (Vue js, html, css , js, jquery , webpack ) |
| | • Web design (figma) |
| | • back-end (nodejs , django , php) |
| | • Devops (Docker , GithubActions , CI/CD) |
| | • IT Admin and security (Active directory, sharePoint, Powershell, SIEM, Windows Server, Virtualization , Azure , Nmap , Azure cloud) |
| | • ERP design (1C programming) |
| | • Network (setup lan, networking path, Mikrotik scripting for automation) |
| **Linguistic Skills** | • French (speak, write) maternal language |
| | • English (speak, write) B2 |
| | • Russian (speak, write) A1 |
| | • Norwegian (speak) A1 |
| **Certificates** | • Bachelor's degree in software engineering (IUT Douala 2021) |
| | |
| **Hobbies** | • Football, volleyball |
| | • piano, guitar |
| | • reading |
